AZ CORP COMMISSION  
DOCKET CONTROL

DATE January 26, 2011

RE: WORKSHOP: COMPLIANCE WITH DECISION NO. 71878  
(DOCKET NO. W-00000C-06-0149)

The third in a series of workshops to comply with the investigation ordered in Decision No. 71878 will be held on Friday, February 25, 2011, at 10:00 a.m., in the Arizona Corporation Commission ("Commission") Hearing Room, 1200 West Washington Street in Phoenix.

Decision No. 71878 orders stakeholders, including the Commission Staff ("Staff") and Global Utilities, to commence a generic investigation which looks at how best to achieve the Commission's objectives with regard to encouraging the acquisition of troubled water companies and the development of regional infrastructure where appropriate.

Specifically, the workshops are to include addressing the appropriateness of available mechanisms such as acquisition adjustments or rate of return premiums. These two mechanisms will be the subjects of discussion at this third Workshop. An agenda for the Workshop is attached.

Staff encourages all interested parties to submit written comments, preferably, prior to commencement of the Workshop. If advance submission of comments is not possible, parties are welcome to bring written comments with them to the workshop on February 25, 2011. Staff also invites any parties interested in making a brief presentation at the Workshop to submit a proposal by February 22, including a description/outline along with an estimate of the presentation time. Please file an original and 13 copies of your comments or proposal with the Commission's Docket Control Center, 1200 West Washington Street, Phoenix, Arizona 85007. All filings should reference Docket No. W-00000C-06-0149. Presentations requiring use of Commission equipment must be coordinated in advance with Commission Business Office personnel by contacting the individuals below.

Parties who wish to be added to the service list in this docket should send notice of their interest, including a mailing address and an e-mail address, to Docket Control. Staff welcomes and appreciates the input of all interested parties. Please address any questions you may have regarding this matter to Nancy Scott (602) 542-0743 or Elijah Abinah (602) 542-6935.
